Cookies

Cookies are small text files that are placed on your computer's hard drive by your web browser when you visit any website. They allow information gathered on one web page to be stored until it is needed for use on another, allowing a website to provide you with a personalised experience and the website owner with statistics about how you use the website so that it can be improved.

Some cookies may last for a defined period of time, such as one day or until you close your browser. Others last indefinitely.

Your web browser should allow you to delete any you choose. It also should allow you to prevent or limit their use.

Our website uses cookies. They are placed by software that operates on our servers, and by software operated by third parties whose services we use.

When you first visit our website, we ask you whether you wish us to use cookies. If you choose not to accept them, we shall not use them for your visit except to record that you have not consented to their use for any other purpose.

If you choose not to use cookies or you prevent their use through your browser settings, you will not be able to use all the functionality of our website.
